A provisional booking for the use of the premises may be made and will be reserved for a period not exceeding 14 days. The Hire Application and Contract form is to be completed and returned with deposit cheques within this time; failure to do so may result in the provisional booking being cancelled. All booking arrangements are made through the Bookings Secretary at the above address.

No agreement or contract of hire will exist until the application has been approved and confirmed by the Committee or the Bookings Secretary and after the receipt by the Committee of the required deposit cheque and booking fee.

Applications from persons under the age of 21 shall NOT be accepted. Do not be offended if proof of age is requested.

The Committee reserves the absolute right to refuse or cancel a booking at its own discretion without stating a reason and reserves the right to impose special conditions.

2 SESSION TIMES AND HIRE COSTS

Please see separate sheet for details of hire costs. Charges for the hire of facilities will be in accordance with the rates published and applicable at the date and time of the event. Hire rates are subject to regular review and the Committee reserves the right to vary the rates of hall hire as and when necessary. All events are to be paid on invoice, in advance, without exception.

The Committee reserves the absolute right to reduce or waive entirely the hiring charges if the committee deems the hirer to be acting in sufficiently charitable or otherwise altruistic cause to justify such a reduction. Any reduction does not infer any obligation or undertaking on the committee's part and shall be without any prejudice either express or implied.

3 CANCELLATIONS

By Hirer: Cancellations **must** be notified to the Committee at least 28 days before the event. Failure to do so will result in the following charges being applied: More than 4 weeks' notice – Booking fee only. With 2 to 4 weeks' notice – Booking fee plus 50% of hire charge. Less than 2 weeks' notice – full cost of hire charge. If a substitute booking of the Premises on the cancelled date and time is made, a full refund less the booking fee will be refunded.

At the Committee's discretion the charges may be waived in exceptional circumstances.

By Committee: The Committee reserves the right to cancel any letting at any time. In this event, the Committee will refund in full the hiring fee. As much notice as possible of any such cancellation will be given. The Committee shall not be liable to pay any compensation to any person in respect of the cancellation of the letting.

4 INSURANCE

The Hirer is responsible for indemnifying the Committee against any and all liability arising from any loss or damages, howsoever caused, and arising from the hall not being available due to circumstances outside of the control of the Committee. The Hirer should consider taking out INDEMNITY INSURANCE and shall provide the Committee with a copy of the certificate upon request.

7 FIRE SAFETY

In respect of fire safety, the Hirer of the Premises will be considered to be a “temporary responsible person” under a duty imposed by the Regulatory Reform (Fire Safety) Order 2005 and are therefore responsible for the fire safety of the Premises and the safety of all relevant persons, and liable in respect to any offence(s) under the Order committed as a consequence of your actions/inactions during the period of hire; *this does not remove any responsibilities or liabilities from the Committee (as principal responsible person) to have taken all reasonable steps to ensure the premises are provided with adequate fire safety arrangements that are suitable and sufficient for the proposed use as set out in the hire agreement.*

As “temporary responsible person” you are therefore required to act in accordance with the emergency fire procedures as set out by the Committee (principal responsible person) and referred to in the emergency fire action plan.

As “temporary responsible person” you are required to provide at your own cost the services of sufficient “safety assistants” to help you implement the emergency fire action plan and other associated fire safety measures in the event of an incident.

The “safety assistants” are to act as “fire marshals” to ensure everyone leaves the premises in an orderly and efficient manner (including anyone who may be in the toilets at the time the alarm activates) and to manage the assembly point and roll call (as far as is practical), while the “temporary responsible person” acts as overall “fire co-ordinator” to ensure a 999 call is made to the fire and rescue service, to be present to receive the fire and rescue service and to inform them as to what is on fire, where the fire is (if known), and if anyone who was in the building is believed to be missing. In addition as soon as possible the responsible person should make contact with the Bookings Secretary to request their attendance.

Nothing shall take place which will invite any increased risk of fire. In the event of any such hiring, the Hirer will be required to meet the cost of any special insurance that is necessary. The “safety assistants” shall be made aware of the location of the fire extinguishers and exits in the building and the assembly point in the carpark.

8 RISK ASSESSMENTS

It is the responsibility of the Hirer to comply with the Committee's Terms and Conditions of Hire and to ensure that they assess their own risks and activities. Where necessary, the Hirer needs to advise the Committee of these risks and agree any action or risk management as is deemed necessary. The Committee reserves the right to ask for a copy of the Hirer's risk assessment at any time.

9 ACCESS TO THE PREMISES

The Hirer is responsible for arranging with the Bookings Secretary the collection and return of the keys and for their safe keeping whilst in the Hirer's possession.

The Committee reserves the right of entry for its duly authorised officers at all times. The emergency services shall be allowed access at all times. **The Hirer is responsible for maintaining the security of the premises during the period of hire, ensuring that only those with a legitimate connection with the Hirer, the emergency services or those authorised by the Committee have access. The Hirer is responsible for ensuring the premises are closed and locked (please see clause 18).**

12 ELECTRICAL EQUIPMENT

The Hirer is responsible for ensuring that all electrical appliances brought onto the Premises for their event have passed the Portable Appliance Test (PAT) for electrical safety within the last 12 months and are labelled as such. It is the Hirer's responsibility to ensure that the electrical supply voltage and installation facilities are suitable for the equipment and that such equipment is properly earthed. Hirers are required to produce evidence of current safety inspection certificates.

13 NOISE

The Hirer shall ensure that any disco or similar electrically powered equipment is always connected to the mains sockets located on the stage to ensure that the noise limiter will activate should the noise levels exceed the licensed level.??

The Hirer shall ensure that noise emanating from the Premises shall not cause a nuisance to local residents. If possible, doors and windows should remain closed while music is being played. People are requested to be considerate and leave the Premises quietly.

FAILURE TO COMPLY WITH THESE REQUIREMENTS MAY RESULT IN FUTURE APPLICATIONS BY THE HIRER BEING REFUSED FOR NON-COMPLIANCE.

14 BEHAVIOUR

The Hirer is responsible for the behaviour of all people attending the event and for ensuring that there is no offensive conduct. The Hirer is required at his own cost to provide 4 stewards to be on duty throughout the event. The stewards will be responsible to the Hirer for ensuring the permitted occupancy is not exceeded at any time and for ensuring that proper order is maintained at all times and no person who is under the influence of alcohol or is likely to cause any disturbance or annoyance is admitted to the building. The Hirer shall ensure that all stewards are familiar with the Terms and Conditions of Hire. The Hirer will accept full responsibility for the preservation of order and seemly conduct of the event. Proper and adequate arrangements must also be made for the control of the toilets and the external perimeter of the building.

15 ACCIDENTS AND FIRST AID

It is the responsibility of the Hirer to conduct a risk assessment of the need to appoint a qualified First Aider. If deemed necessary, it is the responsibility of the Hirer to appoint a qualified First Aider who should be in attendance for the duration of the hire. A First Aid Kit and Accident Book are available in the kitchen of the Premises – Hirers are requested to inform the Bookings Secretary of any items used from the First Aid Kit. Any accidents must be reported to the Bookings Secretary, and the Accident Book completed.

16 CAR PARKING

The hirer shall ensure that all cars are parked within the lined areas of the car park. People are asked to avoid parking on the road and to be considerate to local residents, due to restricted access into driveways.

17 DAMAGES

The Hirer shall report any damage caused to or loss of village hall property during the event as soon as possible after the event (i.e. the next working day). Damage or loss caused to the Premises and contents (including crockery) shall be the sole responsibility of the Hirer who shall reimburse the committee for the cost of rectification in full.

No chalk dust, confetti or similar materials are to be spread on the floor. The Hirer is responsible for any damage to the floor and the costs of restoring the floor to its condition prior to the hiring will be paid to the Committee by the Hirer. The attention of the Hirer is drawn to the fact that stiletto heels can damage the floor.

The use of naked flames or fireworks anywhere on the premises or grounds is forbidden. Bouncy Castles may not be used inside the hall.

18 CLOSING AND VACATING THE PREMISES

All licensable activities and sale of alcohol must cease in accordance with the times as stated on the Premises Licence. All guests must have vacated the Premises by not later than the agreed time.

The Hirer shall ensure that the Premises are left in a clean and tidy condition for the next Hirer. This shall include (i) toilets being left in a reasonable condition of cleanliness (ii) all spillages cleared up (iii) tables and chairs being wiped down and put away and (iv) all rubbish cleared away and disposed of by the Hirer. Failure of the Hirer to ensure that the Premises are left in a clean and tidy condition shall result in the costs incurred by the Committee in having to arrange cleaning being charged to the Hirer by means of a deduction from their deposit cheque and future applications for hire of the Premises may be refused. **Refund of deposit shall only be made after inspection of hired premises by the Bookings Secretary.**

The Hirer shall ensure that waste is sorted into the appropriate bins for recyclable, non-recyclable or food waste. Cleaning equipment is provided in the broom cupboard. Cleaning products, cloths, tea towels and bin bags are not provided.

The Hirer shall ensure that the Premises are left safe and secure with all doors and windows closed and locked, taps turned off and all electrical and other appliances (including lights) switched off.
