Following the very sad news that Her Majesty Queen Elizabeth II has died, aged 96, the thoughts of the parish council and the people of Crowmarsh are with the Royal Family, as are those of the country, the Commonwealth and the world.

The Queen has consistently showed grace, dignity, good humour, strength of character and enormous commitment to service throughout her long reign. We celebrate her life and work, which has inspired our collective affection and respect over seven decades, most recently seen in June's jubilee celebrations.

A book of condolence has been placed in St Mary Magdalene's church - open from 10am to 5pm - all are welcome to sign it and spend a quiet time reflecting on the Queen's exceptional life and reign. There is also a book of condolence in Wallingford Castle Gardens (10am to 4pm), where floral tributes may be left, and an online form on the Royal Family website (www.royal.uk/send-message-condolence).
